

## Attention Students – Call for Volunteers

**Are you interested in joining an international conference that brings leading Hemingway scholars from around the world to Toronto? Gain hands-on experience while helping make the 2026 Hemingway in Toronto conference at the Chelsea Hotel a success.**

### **What will you do as a volunteer?**

Volunteers play an essential role in making the conference a success. Duties are assigned based on your interests and experience and may include:

- Welcoming and registering conference delegates
- Assisting attendees and answering questions throughout the conference
- Helping set up presentation rooms with our AV partner, AV Canada
- Providing basic on-site technical support during conference sessions
- Assisting with the Guided Walking Tour of Hemingway Sites in Toronto
- Photographing conference events and activities for publicity and archival purposes

Volunteers may sign up for three or more 4-hour shifts between July 20 and July 25. Shifts are available between 8:00 AM and 8:00 PM. A brief training session will be provided, and volunteers will enjoy light refreshments during their shifts.

This is an excellent opportunity to gain event-management experience, meet an international community of scholars, and strengthen your résumé. All volunteers will receive a certificate of participation.
